---

Laurent-Perrier is one of Champagne's most famous houses, founded in 1812 in the village of Tours-sur-Marne. Its house style is known for its finesse and elegance, based around an emphasis on the Chardonnay variety in all but the rosé wines.

Chardonnay accounts for 55 percent of the blend in La Cuvée (the renamed Brut Non-Vintage). This proportion was increased from 2004 when the company gained access to some additional Chardonnay vineyards. Recently the level of sugar in the dosage has dropped from 12.5 to nine grams per litre.
